## **Vintage and Handmade Festive Market Application Pack**

**Storey Gallery, Lancaster  
Saturday 3 December**

Storey Gallery is inviting applications from artists, makers, designers and vintage sellers who are interested in taking a stall at this years festive market. We are particularly interested in receiving proposals from artists and designers wishing to experiment and test ideas.

### **The Market**

Forty stalls are available in this amazing Victorian gallery space, creating a unique festive shopping experience – a place where members of the public can purchase objects, or even experiences, they could never get on the high street. Unique gifts, festive decorations, bespoke poetry and original artwork.

Last year performers and artists added something a little different to the event. This year we may even squeeze in an 'Alternative Christmas Grotto'.
